WORK HEALTH AND SAFETY POLICY

CAMPOSOL S.A. is an agroindustrial company which is a producer, processor and marketer of fruits and vegetables that recognizes the human factor as the most important for the organization, for this reason we are committed to:

- Protect the integrity and health of all workers, suppliers, customers and visitors who work *in*, or enter any of our facilities; executing plans, programs and measures to prevent accidents, incidents and occupational diseases.
- Promote a preventive culture based on the identification of hazards, periodic evaluation of risks and determination of controls for elimination, substitution, engineering, administrative and personal protective equipment, to minimize the negative impacts on the safety and health of our ***workers, suppliers, customers and visitors who work in, or enter any of our facilities.***
- Comply with the legal standards, technical standards of voluntary adhesion, collective agreements and other requirements related to occupational safety and health subscribed by our company.
- Guarantee consultation with workers and their representatives, as well as their training, information and active participation in the Safety and Occupational Health Management System of CAMPOSOL S.A. according to what is stipulated in the legislation.
- Establish and periodically review the Occupational Health and Safety objectives.
- Implement and maintain a process of continuous improvement of the Occupational Health and Safety Management System and integrate it with the other systems developed in the company.

The present "Occupational Health and Safety Policy" is open access, is communicated to all collaborators, will be published in all CAMPOSOL offices and will be reviewed once each year.
